

DON'T STRUGGLE AND FEEL ALONE.

It's not easy being a new manager!

You need to move from “I to We”

From Execution to Delegation”

Talk Strategy, budgets, performance

Develop and support a diverse team.

Recognise workplace politics.

Most New managers struggle and lack confidence.

They suffer in silence and don't want to ask for help, and have limited support.

They are supposed to know what to do.
